Another Hot Custom Offering From Old School Cycle Werks

Phatillac™

The Phatillac™ custom bagger kit is Old Skool Cycle Werks' latest design. A traditional bagger with OSCW's unique style and design cues from some of the old Cadillacs. The Phatillac™ is a 3-piece kit – 1 fender with integrated bags and 2 side panels – that fits Harley-Davidson Touring motorcycles from 1995-2007 and can easily be modified to fit 2008 and later H-D Touring frames. Keep your stock seat and install the kit and two side panels with no frame modification.

- Fits Harley-Davidson Touring frames 1995 – 2007
- Top-opening, integrated hard bags with 2 cu ft storage in each
- 1/4" to 3/8" hand-laid fiberglass
- No frame modification to install
- Keep stock seat
- Reinforced mounting points, full frame support
- Lights/accessories not included
- Hardware for bags sold separately
- Primed, ready-to-paint
